Belgrade, 22 May 2013

Dear Prof. Bumbasirevic,

Turkish Government provides scholarships to foreign students with a view to contributing to the education of young people in the friendly countries. It also aims to establish bridges of friendship between individuals and countries through education, and helping to meet the qualified human resources requirement of the countries that scholarships are granted to.

In this context, the application period of the "Türkiye Scholarships" for the undergraduate level for the 2013-2014 academic year has started.

Deadline for applications is 6 June 2013. Applications must be done online and directly to the relevant Turkish authorities through the "Türkiye Scholarships Application Guide 2013" which is at https://basvuru.turkiyeburslari.gov.tr/Content/pdf/BK_en.pdf. Detailed information about the requirements and application process is available in the Application Guide.

I shall really appreciate if you could assist us in the announcement of this scholarship to the potential beneficiary students.

Hoping to further develop our cooperation, I remain,

Sincerely Yours,

Özlem Demir
