In addition to DAAD, renowned German research organisations, including Research in Germany, DFG (German Research Foundation), University Alliance Ruhr, Alexander von Humboldt Foundation, and KoWi (the EU Liaison Office of the German Research Organisations), will present their programmes during this two-day event. The event will provide valuable information on research opportunities in Germany for PhD students and early-career researchers from Serbia across all academic disciplines.

Participants can look forward to an engaging programme featuring presentations, a World Café, a research fair, and networking opportunities with representatives of the participating institutions.

The aim of the event is to provide an overview of Germany's research funding landscape, prepare PhD candidates and postdoctoral researchers in Serbia for upcoming funding calls, and facilitate direct contact with leading German research organisations.

To participate, applicants should:

- be enrolled as a PhD student or employed as a postdoctoral researcher at a university or research institute in Serbia; and
- have a good command of English.

If you are interested in attending the event, please send your CV in English to **info@daad.rs** no later than **10 October 2026**.

Don't miss this opportunity to explore what your research career in Germany and across Europe could look like!
